# SAFETY AND HEALTH POLICY

At DAITTOJEX CONTRACTORS CO. LIMITED, we are committed to promoting and maintaining a safe, healthy, and conducive working environment for all our employees, contractors, clients, and stakeholders. We recognize and uphold the fundamental right of every worker to operate in a workplace that is free from hazards and risks to health and safety.

## We ensure that:

- Every worker has safe access and egress to and from their place of work.
- Each employee is supervised by a competent and qualified supervisor who prioritizes safety at all stages of operation.
- Workers are adequately trained in safe working methods, use of tools, and emergency procedures relevant to their tasks and environment.
- Team members operate in collaboration with equally competent co-workers, promoting mutual accountability and adherence to safety standards.

The management, supervisors, and all employees share the collective responsibility to ensure that work processes are carried out in a manner that:

- Prevents accidents and injuries,
- Minimizes health risks,
- Avoids damage to property or equipment, and
- Enhances overall operational efficiency.

We continuously review and improve our safety protocols and empower our personnel through education, communication, and strict enforcement of safety regulations in all areas of operation.

## WARRANTY POLICY

DAITTOJEX CONTRACTORS CO. LIMITED stands behind the quality of its products and services by offering warranty coverage in accordance with industry standards and supplier/manufacturer policies. We guarantee that all products supplied and services rendered will be free from defects in material and workmanship, and will conform to agreed specifications at the time of delivery or completion.

## However, clients should note the following:

- Warranty terms are subject to the specific provisions issued by the original product manufacturers or suppliers.
- The company shall not be held liable for any damage, loss, or failure resulting from:
- Negligence or mishandling by the client or their agents;
- Improper use or installation not in accordance with supplied instructions;
- Acts of nature such as floods, fire, earthquakes, lightning, and other natural disasters;
- Power surges or electrical faults beyond our control;
- Vandalism, riots, or civil disturbances.

Clients are encouraged to maintain proper usage and care of all products and to report any suspected faults immediately for prompt resolution within the warranty period.
